Item 8082 – 2 fl. oz.

Positioning Purpose: More and more consumers these days are seeking exfoliating skin care products that don't contain harsh aluminum crystals, as found with many mass-market products. NOW Solutions is happy to respond with new Nature's Microdermabrasion Facial Scrub.

Product Description: NOW® Solutions Nature's Microdermabrasion Facial Scrub is a remarkable new product formulated with volcanic sand instead of aluminum crystals to provide more natural and aggressive exfoliation, which increases skin cell turnover and reduces the appearance of imperfections and fine lines. Nature's Microdermabrasion Facial Scrub also contains Vitamin C, which complements volcanic sand in brightening the complexion, speeding up cell renewal, refining skin texture, and reducing the appearance of discoloration, wrinkles, scars, and other imperfections. Add in Squalene, Extra Virgin Olive Oil, and Avocado Oil to further aid in cell renewal and to protect skin from environmental factors, and you've got the industry's premier natural exfoliation formula.

Ingredients: De-ionized Water, Aloe Vera (*Aloe barbadensis*) Leaf Gel*, Avocado Oil, Volcanic Sand, Glyceryl Stearate SE, Stearic Acid (vegetable source), Vegetable Glycerin, Cetyl Alcohol, Cetearyl Alcohol/Cetearyl Glucoside, Glucose/Glucose Oxidase/Lactoperoxidase (natural preservative), Virgin Olive Oil*, Vegetable Squalane, Magnesium Ascorbyl Phosphate (Vitamin C), Citrus Bioflavonoids, d-alpha Tocopherol (Vitamin E) (from soy), Niacinamide (Vitamin B-3), Grapefruit Seed Extract, Natural Aroma, Potassium Sorbate, Xanthan Gum and Citric Acid.
*Certified Organic

Ideal Users: Adults seeking gentle and natural exfoliation without the use of harsh aluminum crystals.

Recommended Use: Use 1-2 times a week on face or body, avoiding sensitive areas and/or open cuts or wounds. Follow up with a nourishing moisturizer.

Complementary Products: Any of NOW Solutions nourishing natural moisturizers.

Supporting Science: N/A

Additional Information: Free of parabens and gluten. NOW Solutions products are not tested on animals.
