

September 2008

Dear Valued Customer,

Enclosed you will find the NOW® Foods INVENTORY FORM/UPC ORDER GUIDE APRIL 2008 item #8842. For your convenience, we have combined the Inventory Form and the UPC Order Guide so you can now scan and keep inventory on the same form.

To use as an Inventory Form:

Customer Number: _____ Store: _____

List the number of units in stock in the upper left portion of each box. List the amount ordered in the lower right portion. In the example below there were 10 units in stock and 12 additional units were ordered. We suggest stocking a 4-week supply of all non-perishable items ordered weekly, and a two-week supply of perishable products.
