Positioning Purpose: NOW's Vita-Squenchers Drink Sticks have a new name –Slender Sticks™ – and vibrant new packaging. Just like Vita-Squenchers, new Slender Sticks™ provide 50% of nine daily vitamins and contain 15 calories or less per serving. As a great alternative to sugar-sweetened beverages or artificially colored and sweetened drinks, all five great-tasting varieties are sweetened with our BetterStevia™ for a burst of naturally-sweet flavor that'll have consumers' taste buds singing! Acai Lemonade, Berry Energy Tea, Pomegranate Berry, and Grape Active are sweetened with a combination of Xylitol and BetterStevia™.

Product Description: NOW Slender Sticks™ are a fantastic alternative to mass-market powdered drink mixes. Available in five refreshing flavors (Acai Lemonade, Berry Energy Tea, Pomegranate Berry, Tropical Punch w/ Fiber, and Grape Active), these powdered drink mixes taste great and provide 50% of the recommended daily value of nine vitamins. Slender Sticks™ are high in phytofruits (Tropical Punch contains two grams of fiber instead of phytofruits) and antioxidants and contain 15 calories or less.* They're made with natural ingredients, contain no artificial colors, flavors, or preservatives, and are sweetened with Xylitol and BetterStevia™ for a clean, sweet taste without any bitterness. Slender Sticks™ mix easily in a 16 oz. bottled water - just add, shake, and enjoy! Tropical Punch is sweetened with BetterStevia™ only.
